## The ones that really matter

Letters to the Editor, Harmsworth House, Barton Hill Road, Torquay TQ2 8JN

■ I WOULD like to thank Pavey Group Insurance and Financial Services for organising the Pavey Group charity golf day in aid of the Torbay Holiday Helpers Network which raised the incredible sum of £4,500.

Without the support of members of the local business community like Pavey Group the THHN would not survive in giving free holidays to families who have seriously and terminally ill and bereaved children.

Pavey Group has been there from the outset supporting us and I cannot thank it enough for its amazing support.

The money raised has come at a critical time for the THHN and will go towards helping a great many families who need valuable quality time together and sadly for some it will be their last holiday together as a complete family and you will have contributed towards giving them priceless memories they will treasure forever.

I would like to pass my personal thanks on to all who were involved with the organisation of the event and not forgetting those who took part who all helped make it the great success that it was.

**LUKE TILLEN**
